FOIA Number: 2000-0233-F

Scope and Content Note:

The materials in FOIA 2000-0233-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2000-0233-F contains documents related to the North Atlantic Treaty Organization (NATO), specifically the role of NATO after the collapse of the Soviet Union and Soviet control of Eastern Europe 2000-0233-F (1990 - 1991). These documents include routine internal memorandum, congressional correspondence, and published articles and reports. A significant amount of material responsive to this FOIA is contained in the files of the National Security Council (NSC). Although these files are listed, it should be noted that most of these documents are security classified and have been closed under the restrictions of the Presidential Records Act and the Freedom of Information Act.

Processed by: Staff Archivists, September 2001. Previously restricted materials are added as they are released.
