**FOIA Number:** 2000-0949-F

**Scope and Content Note:**

The materials in FOIA 2000-0949-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. 2000-0949-F 2 FOIA 2000-0949-F contains routine memos, schedules, and correspondence. White House Office of Records Management (WHORM) Subject File categories contain correspondence memoranda presidential trip files; and presidential remarks regarding President George H.W. A significant amount of material responsive to this FOIA is contained in the files of the National Security Council (NSC). Although these files are listed, it should be noted that most of these documents are security classified and have been closed under the restrictions of the Presidential Records Act and the Freedom of Information Act.

**Processed by:** Staff Archivists, October 2001. Previously restricted materials are added as they are released.
