[Records on Baker Trips and Brain Drain](#)

FOIA Number: 2000-1126-F

Scope and Content Note:

The materials in FOIA 2000-1126-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2000-1126-F contains material related to the Bush administration's policies concerning the potential spread of weapons-related technology from the former Soviet Union to other countries and organizations. Also covered in this request is Secretary of State James Baker's trip in December 1991 to Brussels, Belgium, his February 1992 trip to Germany, Moldova, Armenia, Azerbaijan, Turkmenistan, Tajikistan, 2000-1126-F 2 Russia, and Uzbekistan as well as his May 1992 trip to Lisbon, Portugal and Tbilisi, Georgia. White House Office of Records Management (WHORM) Subject File category FO008-01 contains one record regarding Foreign Travel of Administration Officials. The Staff and Office Files contain press releases and public statements from the Bush administration, letters and reports from individuals and organizations outside the government proposing solutions to the "brain drain," congressional correspondence and testimony on the subject, and routine supporting material.

Processed by: Staff Archivists, June 2001. Previously restricted materials are added as they are released.
