

[Records Related to Senator Jesse Helms](#)

FOIA Number: 2001-0827-F

Scope and Content Note:

The materials in FOIA 2001-0827-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2001-0827-F contains materials related to Senator Jesse Helms (R-NC). The majority of the FOIA collection consists of correspondence between Senator Helms and President Bush or others in the White House on a wide range of subjects. 2001-0827-F 2 White House Office of Records Management (WHORM) Subject File categories make up the bulk of this request and largely consist of letters from Senator Helms to President Bush, in which Helms expresses his views and concerns on a number of issues, ranging from business/economics to natural resources. Often, the White House's reply to Senator Helms is included. Much of this correspondence is related to national defense and the relationship between the United States and foreign countries. On occasion, letters to the president on issues of national concern are co-signed by other members of the United States Senate. Of particular interest in this FOIA collection are Senator Helms' questions to the administration regarding the INF and START Treaties with the Soviet Union. Please note that some responses to these questions are classified and therefore are closed to research at this time under the restrictions of the Presidential Records Act and the exemptions of the Freedom of Information Act. These pages have been sent for agency referral and previously restricted materials are added as they are released. Other WHORM Subject File documents contained in this FOIA are Senator Helms' recommendations on behalf of individuals seeking positions within the administration. Another large portion of this FOIA collection consists of constituent mail that Senator Helms forwards to the White House. This constituent mail is found in both the WHORM Subject File and the Staff and Office Files from the Legislative Affairs Office. The constituent mail typically contains requests for presidential photographs, requests for presidential messages, or invitations for President Bush to attend special events. The Staff and Office Files consist primarily of the previously mentioned constituent mail, material related to Senator Helms' questions regarding the INF and START treaties, and President Bush's appearances at campaign fundraisers for Senator Helms. The Vice Presidential records in this FOIA primarily relate to campaign appearances by then Vice President Bush on behalf of Jesse Helms and constituent mail forwarded on to the White House.

Processed by: Staff Archivists, July 2001. Previously restricted materials are added as they are released.
