

[Records on North and South Korea](#)

FOIA Number: 2001-1703-F

Scope and Content Note:

The materials in FOIA 2001-1703-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. This request contains materials related to United States policy toward South Korea (ROK) as well as 2001-1703-F 2 trade/economic, military, and diplomatic relations between the two countries. Also included are records pertaining to National Security Review 28 (NSR-28) which outlined U.S. strategy in regards to North Korea's (DPRK) nuclear weapons program.

Processed by: Staff Archivists, September 2007. Previously restricted materials are added as they are released.
