**FOIA Number:** 2001-2005-F

**Scope and Content Note:**

The materials in FOIA 2001-2005-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2001-2005-F contains incoming letters, memoranda, invitations, and routine White House correspondence tracking forms. Letters and a memorandum concerning the request for Mrs. Johnson to sign a letter of support for President Bush's tree initiative are in this collection. The collection also includes an invitation for President and Mrs. Bush to attend a reception at the Lyndon Baines Johnson 2001-2005-F 1 Library honoring the marriage of Mr. and Mrs. Philip Chase Bobbitt. There is correspondence between officials at the University of Texas and Vice President Bush concerning an invitation for the Vice President to serve as honorary co-chairman of the Steering Committee for the Walter Cronkite roast with Mrs. Johnson. Also included in this collection of records are copies of photographs taken of Mrs. Johnson at the White House with President and Mrs. Bush. The correspondence tracking forms contain routine information such as the correspondent's name, the subject and the date of receipt of correspondence.
