FOIA Number: 2003-0367-F

Scope and Content Note:

The materials in FOIA 2003-0367-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2003-0367-F contains materials is comprised solely of Bush presidential records and consists records related to the May 31, 1989 meeting between President Bush and Prime Minister Margaret Thatcher in London, England. 2003-0367-F 1 FOIA 2003-0367-F consists primarily of letters, schedules, cables, notes, newspaper articles, and other printed material. Letters include outgoing thank-you letters for individuals who assisted in the planning of the Bush/Thatcher meeting and other events associated with the Bush visit to London. There are several copies of President and Mrs. Bush's schedules for their visit. Unclassified cables contain protocol information related to Mrs. Bush's lunch with Queen Elizabeth. This collection also includes notes with routine information regarding changes to Mrs. Bush's itinerary. The articles from London newspapers such as Evening Standard, The Daily Telegraph, and The Independent describe the various events of President and Mrs. Bush's trip. The American Embassy in London Visitors Handbook, guides to the Imperial War Museum, and a map of England are also included in this collection.

Processed by: Staff Archivists, September 2003. Previously restricted materials are added as they are released.
