FOIA Number: 2004-0724-F

Scope and Content Note:

The materials in FOIA 2004-0724-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2004-0724-F contains materials from the office of Vice President Dan Quayle related to his trip to 2004-0724-F 2 Panama in January 1990 and meetings with Panamanian officials and opposition leaders. (Materials unrelated to topic are also included, due to the Vice President also visiting Florida, Jamaica, and Honduras during the same trip to attend the inauguration of Honduran President Raphael Leonardo Callejas and other records pertaining to the 1991 earthquake in Costa Rica and Panama.) The Staff and Office Files contain schedules, briefing books, cables, memoranda, correspondence, speeches, talking points, and planning/ logistic materials related to the Vice President's Latin America trip. Also included are meeting notes and memoranda of conversation of meetings between the Vice President and Latin American leaders such as Presidents Callejas of Honduras, Carlos Andres Perez of Venezuela, and Costa Rican President Oscar Arias Sanchez, Prime Minister George Cadle Price of Belize, President Guillermo Endara and Vice Presidents Billy Ford and Arias Calderon of Panama, Guatemalan President Vinicio Cerezo, and others during and subsequent to the trip. In addition, the request includes copies of speeches, remarks, and toasts given by the Vice President as well as press releases and summaries of local media coverage of the 1990 trip.

Processed by: Staff Archivists, November 2008. Previously restricted materials are added as they are released.
