

[Records on Iceland \[Bush Vice Presidential\]](#)

FOIA Number: 2005-0135-F

Scope and Content Note:

The materials in FOIA 2005-0135-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. The White House Office of Records Management (WHORM) Subject Files include correspondence, notes, memoranda, and schedules discussing routine correspondence, the sale of aircraft to Icelandair, the U.S. communications plan for the Reykjavik Summit, Vice President and Barbara Bush's trip to northern European countries, and a lunch at the White House in honor of Icelandic President Finnbogadottir. 2005-0135-F 2 The Staff and Office Files contain correspondence, schedules, cables, notes, and memoranda maintained by individual staff members and offices. Records from the Office of the Chief of Staff and Mrs. Bush's Office discuss the Iceland leg of the Vice President and Barbara Bush's trip to northern European countries. Records from the Office of National Security Affairs concern routine correspondence and requests, the visit of President Finnbogadottir to the United States, and a meeting with the U.S. Ambassador to Iceland.

Processed by: Staff Archivists, February - March 2010. Previously restricted materials are added as they are released.
