

GEORGE H.W. BUSH
PRESIDENTIAL LIBRARY & MUSEUM

[Records on the President's Council of Advisors for Science and Technology \(PCAST\) \[Quayle Vice Presidential\]](#)

FOIA Number: 2005-0335-F

Scope and Content Note:

The materials in FOIA 2005-0335-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2005-0335-F contains correspondence, vice presidential remarks, and agendas related to the vice president's participation in the swearing-in ceremony for PCAST members; printed material consisting of news articles about D. Allan Bromley's role as Science Advisor and Director of the Office of Science and Technology Policy (OSTP); press releases related to presidential remarks on global change; a press briefing by Bromley and his co-chairs of the White House Conference on Science and Economics Research Related to Global Change; a fact sheet on the science and technology accomplishments and initiatives of the Bush Administration; and an announcement of the PCAST members.

Processed by: Staff Archivists, June 2010. Previously restricted materials are added as they are released.
