## [Records on the Office of Science and Technology Policy \(OSTP\) \[Quayle Vice Presidential\]](#)

**FOIA Number:** 2005-0338-F

**Scope and Content Note:**

The materials in FOIA 2005-0338-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2005-0338-F contains correspondence between White House staff and OSTP staff related to meetings between VP Quayle and D. Allan Bromley, the natural disaster reduction strategy, and technology transfer. Also included are reports which discuss reducing the impacts of natural hazards, Wetlands preservation and the Superconducting Super Collider. It should be noted that many of the documents listed here are security classified and have been closed under the restrictions of the Freedom of Information Act.

**Processed by:** Staff Archivists, June 2010. Previously restricted materials are added as they are released.
