FOIA Number: 2006-0348-F

Scope and Content Note:

The materials in FOIA 2006-0348-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2006-0348-F contains tracking and referral sheets, notes, letters of correspondence, meeting attendee lists, resumes, and biographical sketches. The tracking and referral sheets and notes are of routine nature routing various letters of correspondence to staff members with sometimes brief descriptions of the particular topic. Letters primarily consist of non-sensitive head of state correspondence offering condolences to the United States in the wake of Hurricane Andrew. Other letters 2006-0348-F 2 come from interest groups requesting U.S. intervention and aid in Rwanda. Resumes and biographical sketches are related to members who were nominated and successfully appointed to ambassadorial positions in various African countries. Meeting attendee lists are related to a Policy Coordinating Committee meeting on Rwanda and Burundi in March 1992.

Processed by: Staff Archivists, March 2008. Previously restricted materials are added as they are released.
