Scope and Content Note:

The materials in FOIA 2007-0470-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2007-0470-F contains Brent Scowcroft's daily appointment schedules for April 1989. The schedules record Scowcroft's calendar of events and meetings for each day. For the purpose of clearing individuals for meetings at the White House, these schedules frequently contain privacy information such as 2007-0470-F 1 2007-0470-F 2 birthdates, social security numbers, addresses, and telephone numbers; therefore, redactions have been implemented. There are also frequent name redactions under federal statute 50 U.S.C. 403g, Sec. 6.

Processed by: Staff Archivists, August 2007. Previously restricted materials are added as they are released.
