Scope and Content Note:

The materials in FOIA 2008-0070-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2008-0070-F consists of tracking sheets, recommendation routing tickets, letters of correspondence, handwritten notes, biographical sketches, resumes, newspaper clippings, Lexus Nexus articles, and various publications. The tracking sheets and recommendation routing tickets serve the purpose of routing letters of correspondence, biographical sketches, resumes, newspaper clippings, Lexus Nexus articles and other publications to appropriate White House Office staff members. Many of the letters of 2008-0070-F 1 correspondence are from a variety of public officials and Interest Groups on behalf of Charles Pei Wang and request the Bush Administration's consideration for Mr. Wang's appointment to United States Commission on Civil Rights. Other letters are direct correspondence from Mr. Wang and are related to his request to be appointed to the commission. Accompanying these letters are biographical sketches, which provide sufficient background information to the White House for full consideration of Mr. Wang to the commission. Also, resumes, newspaper clippings, Lexus Nexus articles, and other publications that are related to Mr. Wang are included to provide substantive information regarding his interest, qualification, and ability to successfully serve on the commission. Mr. Wang was successfully appointed as chairman of the U.S. Commission on Civil Rights in 1990.
