

[Selected Records on President Kovisto of Finland Dinner at the Vice President's House on September 25, 1983](#)

FOIA Number: 2017-0212-F

Scope and Content Note:

The materials in FOIA 2017-0212-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2017-0212-F contains two files that both relate to a dinner held at the Vice President's residence in honor of President Koivisto of Finland. These Bush vice Presidential materials primarily involve the logistical planning of the dinner by various vice presidential staff members, such as draft guest lists, memos, and notes discussing the planning and dinner preparation. There is also a copy of a letter from Mrs. Bush to President and Mrs. Koivisto thanking them for their visit and for a crystal bowl the Koivistos presented as a gift to Vice President and Mrs. Bush during their visit.

Processed by: Staff Archivists, December 2016. Previously restricted materials are added as they are released.
