

[Selected Records on Congress From the White House Office of Records Management](#)

FOIA Number: 2020-0431-F

Scope and Content Note:

The materials in FOIA 2020-0431-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2020-0431-F contains materials from the White House Office of Records Management. The WHORM Subject File categories contain correspondence; memoranda; papers; and reports between Congress and the Bush administration. These records include correspondence between members of Congress and the Bush Administration, including President Bush, on topics such as judicial nominations, budget processes, Presidential appointments, and legislation in both the House and the Senate. There are also papers and reports concerning potential legislation being considered by Congress during the Bush Administration. There are also copies of the Senate/House "Floor Watch," Senate/House Legislative Notice, and miscellaneous reports from Congress.

Processed by: Staff Archivists, April 2022. Previously restricted materials are added as they are released.
