[Records on Reduction in Force Post-Cold War and Desert Storm](#)

FOIA Number: 2018-0877-F

Scope and Content Note:

The materials in FOIA 2018-0877-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2018-0877-F contains materials from agencies and individuals concerning reduction in force, military promotions, national security strategy, and budget information. The White House Office of Records Management (WHORM) Alphabetical Files contain letters from the general public concerning general U.S. military issues. The WHORM Subject File categories contain correspondence from the general public, Congress, and administration officials concerning U.S. military issues. A large portion of this material, contained in category ND007-06, consists of military promotion information. The Staff and Office Files contain correspondence, memoranda, and reports maintained by individual staff members and offices. Topics covered in these files include force reduction, defense budget, and National Security Strategy information.

Processed by: Staff Archivists, December 2019. Previously restricted materials are added as they are released.
