Scope and Content Note:

The materials in FOIA 2025-0330-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. The White House Office of Records Management (WHORM) Alphabetical Files contain a letter from former U.S. Treasury official Chester R. MacPhee to the President expressing his opposition to protectionist trade policies. The WHORM Subject File categories contain correspondence from government officials and constituents advocating free trade and warning against U.S. protectionist trade policies.

Processed by: Staff Archivists, March 2025. Previously restricted materials are added as they are released
