**FOIA Number:** 2025-0744-F

**Scope and Content Note:**

The materials in FOIA 2025-0744-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2025-0744-F contains materials from the President's Task Group on Regulation of Financial Services, a subgroup of the President's Task Force on Regulatory Relief. The group was charged with reviewing the existing regulatory framework on financial institutions and recommend changes with the intent of decreasing the regulatory and reporting burdens placed upon the institutions. The Staff and Office Files contain correspondence and memoranda from U.S. banks, credit unions, savings & loans, etc. describing the regulatory and reporting burdens placed upon them by federal regulators. The correspondence was in response to a request placed in the "Federal Register" by the Task Group.

**Processed by:** Staff Archivists, July 2025. Previously restricted materials are added as they are released.
