FOIA Number: 2011-2571-F

Scope and Content Note:

The materials in FOIA 2011-2571-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2011-2571-F contains correspondence, memoranda, and publications maintained by individual White House staff members and offices, Vice President Bush's Task Force for Regulatory Reform and the Office of Consumer Affairs. The files of the Counsels Office and Personnel Office contain mostly documents involving the various appointees to the Federal Reserve Board. The materials found within the Council of Economic Advisors include correspondence from the private sector, policy memoranda and economic performance information. The files from Vice President's Task Force examine current regulations and correspondence containing suggestions or recommendations from various officials. Lastly, the files of Ann Windham Wallace contain speeches, event planning materials and correspondence.

Processed by: Staff Archivists, March 2012. Previously restricted materials are added as they are released.
