## [Council on Competitiveness Established March 31, 1989 and Chaired by Vice President Quayle](#)

**FOIA Number:** 1999-0129-F

**Scope and Content Note:**

The materials in FOIA 1999-0129-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 1999-0129-F contains the files of Executive Director Allan Hubbard as well as other subject files maintained by the council, probably David McIntosh, a close advisor to Vice President Quayle. The files consist of agendas, information reports, background papers, and policy option papers about numerous 1999-0129-F 2 topics considered by the council. Many of these papers and reports include administration pros and cons, and thus, remain closed currently under the Presidential Records Act. Also included in the files are memoranda and letters from administration officials, members of Congress, professional organizations, and public interest groups. Numerous published articles, news stories, and reports fill the files. The documents as a whole provide a detailed account of council activities.

**Processed by:** Staff Archivists, October 1999. Previously restricted materials are added as they are released.
