

## [Records on the National Prayer Breakfast](#)

**FOIA Number:** 1999-0311-F

**Scope and Content Note:**

The materials in FOIA 1999-0311-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 1999-0311-F contains material on the topic of National Prayer Breakfast. The National Prayer Breakfast was initiated informally by the United States Senate during World War II. President Eisenhower formally established the annual event in 1953. In more recent times, dignitaries from throughout the world have been invited to attend. Material includes correspondence, planning documents and schedules. Also included are items from public officials from the local, national and state levels of government. Material reviewed included Bush Presidential and Vice Presidential records and Quayle Vice Presidential Records. Another group of material concerned planning a tribute in celebration of Ronald Reagan's 75th birthday, which coincided with the 1986 National Prayer Breakfast event. These included copies of notes of congratulations to President Reagan from numerous world leaders. Many of these letters were excerpted for then-Vice President Bush to use in his prepared speech.

**Processed by:** Staff Archivists, April 1999. Previously restricted materials are added as they are released.
