**FOIA Number:** 1999-0467-F

**Scope and Content Note:**

The materials in FOIA 1999-0467-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 1999-0467-F contains materials pertaining to political, military, and diplomatic developments in El Salvador during the late 1980s and early 1990s. During this period, a peace accord was reached between the Salvadoran government and insurgents belonging to the FMLN (Farabundo Marchti National Liberation Front), ending over a Decemderade of civil strife. 1999-0467-F 1 White House Office of Records Management (WHORM) Subject Categories contain correspondence, memoranda, news clippings, and brochures from the general public, Congress, and the Bush administration. WHORM Subject File CO046 concerns the country of El Salvador, including memoranda, cables, and correspondence related to the peace process. The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices. These materials deal with the investigation of human rights violations, Nicaraguan support for the FMLN, and US economic and military assistance to El Salvador. The Bush Vice Presidential Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices. The Donald P. Gregg Files of the Office of National Security Affairs addresses various threats ranging from natural disasters and terrorist death squads within El Salvador. The Quayle Vice Presidential Staff and Office Files contain various speeches given by Vice President Quayle on the topic of El Salvador.

**Processed by:** Staff Archivists, April 2000. Previously restricted materials are added as they are released.
