

[Records on Bush-Takeshita Bilateral Meeting February 1989 Washington, D.C.](#)

FOIA Number: 1999-0588-F

Scope and Content Note:

The materials in FOIA 1999-0588-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 1999-0588-F contains materials from the bilateral talks held between President George Bush and Japanese Prime Minister Noboru Takeshita in February 1989. Takeshita was the first foreign 1999-0588-F 1 head of state to visit President Bush in Washington, and the talks were part of a working visit, not a state visit. The FOIA includes memoranda, letters, memoranda of conversations, speeches, and schedules relating to the meetings. All material in the FOIA dates from early 1989.

Processed by: Staff Archivists, April 2000. Previously restricted materials are added as they are released.
