**FOIA Number:** 1999-0690-F

**Scope and Content Note:**

The materials in FOIA 1999-0690-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 1999-0690-F contains materials related to United States - Syrian relations during the Reagan administration (1983 - 1984), including the U.S. bombing of Syria, possible Syrian attacks on U.S. aircraft, and Syria's involvement in terrorism. Documents opened in this FOIA request include trip schedules, biographies, requests for appointment forms, routine messages, and correspondence with the public. A significant amount of material responsive to this FOIA is contained in the files of the National Security 1999-0690-F 1 1999-0690-F 2 Council (NSC). Although these files are listed, it should be noted that most of these documents are security classified and have been closed under the restrictions of the Presidential Records Act and the Freedom of Information Act.

**Processed by:** Staff Archivists, November 2000. Previously restricted materials are added as they are released.
