

[Records on Juanita Duggan Special Assistant to the President for Cabinet Affairs](#)

FOIA Number: 1999-0730-F

Scope and Content Note:

The materials in FOIA 1999-0730-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 1999-0730-F contains material from Juanita Duggan, Special Assistant to the President for Cabinet Affairs. Duggan oversaw a number of activities in the White House, including award ceremonies, luncheons, and miscellaneous activities involving President George Bush. The collection also contains disaster declarations and other activities of the Federal Emergency Management Agency (FEMA). Other materials in the collection discuss several Bush Administration interests and initiatives, including the Clean 1999-0730-F 1 Air Act, global environmental change and reaction to the Exxon Valdez oil spill.

Processed by: Staff Archivists, October 2000. Previously restricted materials are added as they are released.
