

[Records on Selected China Files](#)

FOIA Number: 2000-0116-F

Scope and Content Note:

The materials in FOIA 2000-0116-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2000-0116-F contains selected files related to China, including most favored nation status, the 1989 Tiananmen Square demonstrations, and general U.S.-China relations during the Bush administration. The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual 2000-0116-F 2 staff members and offices. A significant amount of material responsive to this FOIA is contained in the files of the National Security Council (NSC). Although these files are listed, it should be noted that most of these documents are security classified and have been closed under the restrictions of the Freedom of Information Act.

Processed by: Staff Archivists, October 2000. Previously restricted materials are added as they are released.
