

[National Security Directive 64](#)

FOIA Number: 2010-0577-F

Scope and Content Note:

The materials in FOIA 2010-0577-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. 2010-0577-F 2 FOIA 2010-0577-F contains materials related to the Nuclear Weapons Deployment Authorization for FY 1991 and FY 1992. They are contained primarily in the Staff and Office files of the National Security Council (NSC). Although these files are listed, it should be noted that portions of these documents are security classified and have been closed under the restrictions of the Presidential Records Act and the Freedom of Information Act. These records will be added if and when they are released. Currently released documents include non-classified, routine documents. This material consists of blank tab dividers separating other documents; and cover sheets, such as unclassified NSC Profile Sheets and Staffing forms, which forward other materials.

Processed by: Staff Archivists, October 2010. Previously restricted materials are added as they are released.
