## [Records on The European Strategy Steering Group](#)

**FOIA Number:** 2010-2612-F

**Scope and Content Note:**

The materials in FOIA 2010-2612-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2010-2612-F contains materials from agencies and individuals including the Department of State and the Department of Defense. 2010-2612-F 2 The WHORM Subject File categories contain correspondence; memoranda; news clippings; and brochures from the general public, Congress, and the Bush administration concerning policies dealing with European affairs during the administration. The Staff and Office Files contain correspondence, memoranda, and a publication maintained by the National Security Council, and includes the NSC Confidential Files, Intel Files, Numbered Files, PA Files, and the PRS Files. These files concern the European Strategy Steering Group. The European Strategy Steering Group was an interagency group responsible for performing policies decided by the administration during the dissolution of the Soviet Union and German reunification.

**Processed by:** Staff Archivists, June 2011. Previously restricted materials are added as they are released.
