

[Records on Heather Wilson Chronological Files](#)

FOIA Number: 2011-0285-F

Scope and Content Note:

The materials in FOIA 2011-0285-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2011-0285-F contains material from the Chronological Files of Heather Wilson, a Director for Defense Policy and Arms Control on the National Security Council during the George H.W. Bush Administration. At this time the majority of the records in this request are security classified and have been closed under the restrictions of the Freedom of Information Act. 2011-0285-F 2 The open records consist of lists, memoranda, papers, correspondence, report, fact sheet, press releases, and presidential statement. The lists are redacted distribution lists for the attached information. The memoranda consist of routine transmittal memos, meeting notices to agency counterparts and subcommittee principals, and Wilson's travel requests and itinerary. Papers include copies of research papers sent to the White House from the public on topics regarding Conventional Arms Control in Europe (CFE). Correspondence includes Congressional correspondence to Brent Scowcroft on issues related to the CFE Treaty, as well as routine Presidential transmittal letters to Congress. Report consists of the 1989 unclassified Defense Management Report to the President by the Secretary of Defense. The fact sheet and press release concern the President's CFE Initiative on US and Soviet Manpower. The proposed Presidential statement relates to the Conventional Forces in Europe.
