

## [Records on Steel/VRA \[Voluntary Restraint Agreements\]](#)

**FOIA Number:** 2011-0467-F

**Scope and Content Note:**

The materials in FOIA 2011-0467-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2011-0467-F contains materials from agencies and individuals including the United States Trade Representative Carla A. Hills and The Economic Policy Group. The White House Office of Records Management (WHORM) Alphabetical Files contain letters from the 2011-0467-F 2 general public concerning steel trade policies, and the absolution or guarantee of steel VRAs in 1989. The WHORM Subject File categories contain correspondence; memoranda; news clippings; and brochures from the general public, Congress, and the Bush administration concerning steel trade policies in the United States, or more specifically the re-evaluations of steel VRAs from 1984 and 1988. The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices. The files of Stephen P. Farrar deal specifically with the Bush Administration policies toward steel VRAs and trade issues with steel. The Bush Vice Presidential Records contain speeches made to steel trade organizations by Vice President Bush.

**Processed by:** Staff Archivists, January 2011. Previously restricted materials are added as they are released.
