FOIA Number: 2011-1164-F

Scope and Content Note:

The materials in FOIA 2011-1164-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2011-1164-F contains materials from agencies and individuals including Roger Ailes, a media consultant for George Bush during his Presidential Campaign from 1987-1988, and Roger Ailes & Associates Inc. Ailes was heavily involved with guiding Bush to victory in the 1988 campaigns. Along with other associates, Ailes also at this time produced a number of campaign spots for Bush. 2011-1164-F 2 The White House Office of Public Events and Initiatives: Sig Rogich Files contain a list of all George Bush Presidential Campaign spots in 1988 that aired. The remaining Staff and Office Files largely contain memoranda for meetings, lunches, briefings, and tapings for the Bush Presidential Campaign, biographical sketches of team members from the advertising crew, itinerary of television spots, and news reports regarding presidential campaign efforts from both running mates, Bush and Dukakis.

Processed by: Staff Archivists, June 2011. Previously restricted materials are added as they are released.
