## [Selected Records on the Economy](#)

**FOIA Number:** 2011-2569-F

**Scope and Content Note:**

The materials in FOIA 2011-2569-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. The majority of records are Bush Presidential Records. The Bush Presidential Staff and Office Files include memoranda, fact sheets, correspondence, papers, talking points, and printed material maintained by individual staff members and offices. These materials 2011-2569-F 2 consist of routine memoranda between White House staff members to the President and other staff members regarding such topics as unemployment statistics; banking reform, mortgages, and low income housing tax credit. Also included are standard memos concerning meetings with industry business leaders, as well as a weekly report regarding upcoming economic and banking issues and related legislative activity. Fact sheets include the President's economic growth agenda, tax bill veto, and agriculture policy. Correspondence contains public mail to the White House staff and standard response letters on economic issues such as wages, budget deficit, capital gains, taxes, and affordable housing plan. Papers include IMF working paper on fiscal policy, OMB Circular A-94 on benefit-cost analysis of federal programs, guidance on benefit-cost analysis for legislative proposals,
