FOIA Number: 2011-2573-F

Scope and Content Note:

The materials in FOIA 2011-2573-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2011-2573-F contains correspondence from academics, private economic research organizations, banking officials, including Federal Reserve Banks and members of Congress regarding economic policy; memoranda to Department of State, Treasury, Commerce, the Office of Science and Technology and other Council of Economic Advisors (CEA) members, including reports to the President; historical information on the International Monetary Group and an overview of the administration's monetary policy; copies of newspaper and journal articles, editorials; professional and academic conference papers; legislation and testimony with legislative committees; and CEA meeting notes, agendas and schedules with accompanying economic projections, calculations, data, productivity reports, various industrial sector projections/schedules, economic performance information, tax analysis, Economic Activity Updates and Statistical Inventory reports.

Processed by: Staff Archivists, April 2012. Previously restricted materials are added as they are released.
