

[Records on Denmark](#)

FOIA Number: 2017-0098-F

Scope and Content Note:

The materials in FOIA 2017-0098-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2017-0098-F contains materials from agencies and individuals concerning the Kingdom of Denmark. The White House Office of Records Management (WHORM) Alphabetical Files contain a letter from a United States citizen asking for assistance in returning from Denmark. The WHORM Subject Files categories contain correspondence; memoranda; news clippings; and brochures from the general public, Congress, and the Bush administration. WHORM Subject File CO041 deals with Denmark exclusively. Additional records concern invitations for the Bushes to the Rebuild Independence Day Festival and suggestions for ambassadorships. The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices. The majority of these records concern the state visit of Queen Margrethe and Prince Henrik in February 1991. There are also a number of forms and memos concerning official travel by members of the administration to Denmark. The Vice Presidential Name and Subject Files contain correspondence, articles, and press releases on topics such as the African AIDS epidemic and the Rebuild National Park Society. The Vice Presidential Staff and Office Files contain correspondence and memos related to visits by Danish Prime Minister Poul Schlüter in 1982 and Mrs. Schlüter in 1983. The Quayle Vice Presidential records are related to the 1991 Danish Embassy reciprocal dinner held by Queen Margrethe II.

Processed by: Staff Archivists, November 2017. Previously restricted materials are added as they are released.
