FOIA Number: 2017-0651-F

Scope and Content Note:

The materials in FOIA 2017-0651-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2017-0651-F records related to the United States' economic policy toward the nations of Central and South, or Latin, America. The Staff and Office Files contain brochures, correspondence, and press releases maintained by individual staff members and offices. The majority of the correspondence serve as transmittal memos and covers sheets for the draft copies of press releases. There are three press releases concerning economic issues between the US and Latin America, such as Chilean debt and the Enterprise for the Americas Initiative. There is also a brochure entitled the Second Annual Corporate Finance in Latin America 1993.

Processed by: Staff Archivists, March 2017. Previously restricted materials are added as they are released.
