**Scope and Content Note:**

The materials in FOIA 2017-2164-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2017-2164-F contains materials from agencies and individuals including the First Lady's Office, the Office of the Vice President, and the Republican National Committee. The Staff and Office Files contain speech drafts and texts of Mrs. Bush's speech, including remarks by her grandson, George P. Bush. In addition, schedules, notes, and lists of events, attendees, and logistics reveal the organizing of the 1992 Republican National Convention. Correspondence, invitations, press releases, seating charts and programs shed additional light on the Convention. The following is a list of documents and folders responsive to FOIA 2017-2164-F.

**Processed by:** Staff Archivists, November 2018. Previously restricted materials are added as they are released.
