FOIA Number: 2017-0099-F

Scope and Content Note:

The materials in FOIA 2017-0099-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2017-0099-F contains materials from agencies and individuals concerning New Zealand. The White House Office of Records Management (WHORM) Alphabetical Files contain letters from individuals on topics such as immigration and children with special needs. The WHORM Subject File categories contain articles, correspondence, forms, and press releases. There are letters from individuals supporting candidates for the ambassadorship to New Zealand. Additionally, there are letters from Ambassador to New Zealand Della Newman concerning U.S.-New Zealand relations. There are press releases announcing the appointment of individuals to ambassador positions. Articles from New Zealand papers highlight programs attended by Ambassador Newman. The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices. Included in these records are letters of congratulations to President Bush after the 1988 election. There are also records concerning the nomination of Della Newman as ambassador to New Zealand. Other records include requests for travel from various cabinet and administration officials.

Processed by: Staff Archivists, March 2018. Previously restricted materials are added as they are released.
