

## [Records on Vice President Bush's Daily File November and December 1988](#)

**FOIA Number:** 2018-1099-F

**Scope and Content Note:**

The materials in FOIA 2018-1099-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA 2018-1099-F contain materials from the Vice Presidential Daily Files which were a separate, working set of records for the Vice President and maintained by his administrative assistant Patricia (Patty) A. Presock, as Chronological Files. The materials found here were selected to be in this particular collection by President Bush or Patty Presock. These records date from November 1, 1988 to December 31, 1988. Documents of note in this collection include: speech cards used on election night of 1988; handwritten notes of phone calls between President-Elect Bush and members of the Republican leadership, former and current government officials, and prominent members of American society concerning transition and staffing; letters of congratulations; daily news summaries; Friday Follies; and schedules.

**Processed by:** Staff Archivists, October 2019. Previously restricted materials are added as they are released.
