**FOIA Number:** 2021-0212-F

**Scope and Content Note:**

The materials in FOIA 2021-0212-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. The WHORM Subject File categories contain internal correspondence to the President regarding ratings for an interview with Barbara Walters. The Staff and Office Files contain cover sheets, correspondence, and forms. Internal White House correspondence relates to arrangements, scheduling and results for interviews of George Bush when he was Vice President and President and of Vice President Dan Quayle by Barbara Walters. Correspondence between the general public and Vice President Quayle lends support following an interview with Barbara Walters and requests signed photographs. Also included are Vice Presidential gift tracking system forms for items included in the correspondence sent to Vice President Quayle

**Processed by:** Staff Archivists, December 2021. Previously restricted materials are added as they are released.
