Scope and Content Note:

The materials in 2005-1503-F are a selective, not necessarily all inclusive, body of documents. Researchers should consult the archivist about related materials. CO124 is a secondary subject category containing coversheets, memos, notes, letters, a list, speeches, and press releases. President Bush invited Peruvian President Alberto Fujimori to an official working visit on September 17, 1991. Many of these documents relate to this invitation, the visit, or the general topic of U.S. aid to Peru in light of the American anti-drug traffickers stance.

Processed by: Staff Archivists, August 2006. Previously restricted materials are added as they are released.
