NAID: 876160

Collection: GB-DHP

Collection Date: January 1979 - December 1993

Scope and Content Note:

This collection consists of materials concerning the career of George H. W. Bush, particularly his tenures as vice president and president. The collection contains the accumulated research files that "Washington Post" reporter David Hoffman compiled to support his coverage of the White House. Materials concerning the elections of 1980, 1984, and 1988 are included; the 1992 election, however, is not covered.

Biographical Files

This series consists of biographical research files compiled by "Washington Post" White House correspondent David Hoffman. The materials in this series explore the financial history of President George H. W. Bush, trace his ancestry in some detail, and describe recollections of associates, friends, and classmates. Included are research notes, newspaper clippings, income tax returns, and a Bush family tree. This series also contains newspaper clippings (mostly from the "Hartford Courant") concerning the political career of Senator Prescott Bush, George Bush's father.

Early Career Files

This series consists of research files compiled by "Washington Post" White House correspondent David Hoffman. The files concern the time George H. W. Bush served as a Congressman, United Nations Ambassador, and director of the Central Intelligence Agency. Included are newspaper clippings and other clippings. Articles from the "Texas Observer," "Houston Chronicle," and "New York Times" draw attention to the different types of public service Bush performed during these two decades. Also included is Bush's voting record, taken from the "Congressional Quarterly Almanac."

Presidential Files

This series contains research files on the presidency of George H. W. Bush, compiled by "Washington Post" White House correspondent David Hoffman. The files consist of newspaper clippings, magazine articles, speeches, pamphlets, pool reports, and pieces by Hoffman detailing the Bush administration's foreign policy, especially President Bush's dealings with Mikhail Gorbachev. Trips by the President to Canada and the Far East also receive lengthy treatment and analysis.
